

# Teen Mock Legislative Session

## March 26-27, 2010

Each spring a **mock legislative session and weekend retreat** is held at the State Capitol in Pierre. Hosted by the S.D. Teen Age Republicans (TARs), this event is designed to be educational, rather than partisan, in nature. Participants will have fun, meet teens from across the state, and draft and debate legislation on the floor of the state House of Representatives and Senate.

If you are interested in politics, government, or making a difference, the **Mock Legislative Session** is for you! This event is open to all students in middle or high school, regardless of political affiliation.
